

International Conference on Environmental Science and Green Energy

Online Conference

November 25-27, December 09-11

Conference Introduction

International Conference on Environmental Science and Green Energy (ICESGE 2022) will take place in online mode due to local circumstances, from 09th to 11th December 2022.

ICESGE 2022 aims to promote the integration and innovation of areas in green energy development and environmental science.

ICESGE 2022 is organized by the School of Environment and Chemical Engineering, Shenyang University of Technology, Nisantasi University(Turkey) and co-technically sponsored by IEEE Industry Applications Society and ETDIS. It is to provide an outstanding forum for researchers, practitioners, policy makers, and users to exchange ideas, techniques and tools, raise awareness, and share experience related to all practical and theoretical aspects of the above fields. ICESGE 2022 includes plenary lectures, keynote speakers, invited speakers, eminent personalities from around the world, and contributed papers presentations.

Call for Paper and Topics

Topic A: Alternative Energy and the Environment

Topic B: Sustainable/Renewable Energy

Topic C: Assessments of the Condition of Ecosystems and Environmental Quality

Topic D: Behaviours of and Impacts of Pollutants in Atmosphere, Soil and Water

Topic E: Modelling and Regional Environmental Assessments (Includes Global Change) Modeling

Topic F: Treatment/ Restoration of Ecosystems, Environment and Water Resources

Publication and Indexing

Submissions will be reviewed by the conference technical committees based on originality, relevance to conference, structure and readability. Accepted and presented papers will be published in IEEE Xplore, which will be indexed by SCOPUS, Ei Compendex (CPX), CPCI-S, Google Scholar possibly, etc.

Organizing Committees

Prof. Jiyan Liang; Dean of School of Environment and Chemical Engineering, Shenyang University of Technology, China

Prof. Dr. İlhami COLAK; Faculty of Engineering and Architecture, Nisantasi University, Turkey

Prof. Linnan Zhang; Vice Dean of School of Environment and Chemical Engineering, Shenyang University of Technology, China

Prof. Fa-Nian Shi; School of Environment and Chemical Engineering, Shenyang University of Technology, China

Dr. Yinyan Guan; School of Environment and Chemical Engineering, Shenyang University of Technology, China

Dr. Masoud Taghavi; Head of Mechanical Engineering Department, Technical and Vocational University (TVU), Iran

Important Date

Submission Deadline (Full Paper): **August 30th, 2022** —
September 10th, 2022

Submission Instruction and Methods

1. Language.

English is the official language of the conference. Therefore, the paper should be written and presented only in English.

2. Full paper (Publication & Presentation).

Full paper submission is required if you consider publishing your paper.

3. Abstract (Presentation Only).

If you only consider making a presentation at ICESGE 2022 without paper publication, you can submit an abstract.

4. Welcome to submit online!
